

White Card

Course Information

This unit of competency specifies the mandatory work health and safety training required prior to undertaking construction work. The unit requires the person to demonstrate personal awareness and knowledge of health and safety legislative requirements in order to work safely and prevent injury or harm to self and others. It covers identifying and orally reporting common construction hazards, understanding basic risk control measures, and identifying procedures for responding to potential incidents and emergencies. It also covers correctly selecting and fitting common personal protective equipment (PPE) used for construction work.

White Card

What to expect

- This course provides a full day of interactive and practical learning focused on construction site safety. Students will cover workplace health and safety laws, hazard identification, and risk management. Through group discussions, real-world scenarios, and hands-on PPE training, they'll complete assessments and gain the essential skills needed to obtain their White Card.

Access Student Support

- The Student Support Officer is located next to reception in the Coffs Harbour office.
- Support may include: Enrolment support, Emotional Support, Learning Support and Assessment support.
- You may also bring your own support to your course
- for complex support need please contact the college on 6652 5378 to discuss options.

Feedback, Complaints & Appeals

- The College welcomes feedback from students as part of its commitment to providing quality service. We strive to respond to all student complaints, enquiries, and problems promptly and courteously. If you have a complaint or problem regarding your course, please speak initially with your trainer. If this is not appropriate or the problem remains unresolved, please put your complaint in writing and forward it to the College. Receipt will be acknowledged in writing to manager@coffscollege.nsw.edu.au
