

Childcare First Aid & CPR

Course Information

This unit applies to a range of workers within an education and care setting who are required to respond to a first aid emergency, including asthma and anaphylactic emergencies. This includes early childhood workers and educators who work with school age children in outside school hours care and vacation programs.

This unit applies to all persons who may be required to provide CPR, in a range of situations, including community and workplace settings.

Participants must be able to perform 2 minutes of uninterrupted CPR on a manikin on the floor

TRAINING

Childcare First Aid & CPR

What to expect

- Students will learn to recognise and assess emergencies involving infants and children, provide CPR and first aid using Australian Resuscitation Council guidelines, ensure safety, support the casualty, use equipment correctly, monitor conditions, and report incidents. The unit also covers asthma, anaphylaxis, and legal requirements in care settings

Access Student Support

- The Student Support Officer is located next to reception in the Coffs Harbour office.
- Support may include: Enrolment support, Emotional Support, Learning Support and Assessment support.
- You may also bring your own support to your course
- for complex support need please contact the college on 6652 5378 to discuss options.

Feedback, Complaints & Appeals

- The College welcomes feedback from students as part of its commitment to providing quality service. We strive to respond to all student complaints, enquiries, and problems promptly and courteously. If you have a complaint or problem regarding your course, please speak initially with your trainer. If this is not appropriate or the problem remains unresolved, please put your complaint in writing and forward it to the College. Receipt will be acknowledged in writing to manager@coffscollege.nsw.edu.au

Foundation Skills

Students must be able to use below foundation skills to participate in this training.

The Foundation Skills describe those required skills (language, literacy, numeracy and employment skills) that are essential to performance.
